DETAILED ACTION

Amendment

1. Receipt is acknowledged of the amendment filed on September 23, 2001, which has been
5 entered. In the amendment claims 1-6, 12, and 13 are canceled. Currently, claims 7-11 and 14
remain for examination.

Allowable Subject Matter

2. Claims 7-11 and 14 are allowed.
- 10 3. The following is the Examiner's statement of reasons for allowance: the claims are
directed at a system and the method for receiving product information from RFID tag applied on
a product. The claims also disclose a particular referral method wherein the first customer use the
product for an intended purpose of the product, and the second customer request product
information, and the first customer is rewarded in return. Previously cited reference to Tracy
15 (US 6,199,753) suggests RFID tags, which are widely used in retail environment. Reference to
Bezos et al. (US 6,029,141) teaches of referral reward/bonus in Internet embodiment. However,
the cited references, taken alone or in combination, fail to show or fairly teach the specific
method of referral wherein the referral occurs when the product is actually used for its intended
purposes as set forth in the claims.
- 20 Any comments considered necessary by applicant must be submitted no later than the
payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
